Global Leadership 101

Explore leadership through a Global Leadership Program with heart, soul, and the ability to change the world.

A leadership course for global-minded young adults. Designed to build you up and equip you with the tools you need to address the challenges of the 21st century. Learn the key principles of transformational leadership while uncovering your core values and true purpose. All of this and more is covered in the Global Leadership 101 course.

Flexible, dynamic, online learning for the needs of now

Discover authentic leadership with easy to access virtual modules. Explore at your own pace, learning wherever and whenever you want. Our unique online learning software gives you total control.

You're learning online, but you won't be learning alone.

Connect with classmates during weekly virtual lessons. Forge friendships with young adults just like you, located all around the globe.

You'll benefit from our two decades of expertise in global leadership development courses. For these times when we can't meet in person, virtual learning offers a nearly identical learning experience. You'll be taught the same proven framework through the same engaging methods and have access to the same outstanding community. Virtual leadership courses with iLEAP will provide meaningful experiences that have the power to change your life.

All English levels welcome here

You won't be left behind if your English skills are less than perfect. All instruction is available in your native tongue as well as English. Plus, GLA has teamed up with Western Washington University to help you master the English skills [link to English for transformational leadership course] that will set you apart from the crowd.

Global perspective with personalized attention

iLEAP is not like other global leadership programs. Our small groups make sure you won't get lost in the crowd. Our instructors get to know you and are dedicated to your success. We understand the challenges non-native English speakers face when taking an English language course and have developed the resources needed to help you. You'll get focused individual attention when you need it.

Pursue a life of purpose and advance social good

The world is facing extreme challenges that need leaders like you to solve them. Our Global Leadership 101 course will equip you with the skills you need. And inspire others to join you.
