Personal Leadership to discover
your values, your purpose &
your plan

Move forward in life with confidence, clarity & purpose through Personal Leadership

Take the next step in your leadership journey. This course will equip you with the tools needed to define your personal leadership purpose. Through self-reflection and guided activities, you'll gain clarity and confidence. Enjoy the opportunity to forge friendships with like-minded young adults all around the world. Plus, you'll create a personal leadership plan to propel you towards your future.

Flexible, dynamic, online learning to help you find clarity

Learn the tools and framework to guide personal reflection. Explore at your own pace, learning wherever and whenever you want. Our unique online learning platform gives you total control.

You're not in this alone

Unlike other virtual learning experiences, you'll engage with other like-minded young adults. Our weekly virtual lessons connect you to your classmates all over the world.

You'll benefit from our two decades of expertise in global leadership development courses. For these times when we can't meet in person, virtual learning offers a nearly identical learning experience. You'll be taught the same proven framework through the same engaging methods and have access to the same outstanding community. Virtual leadership courses with iLEAP will provide meaningful experiences that have the power to change your life.

Uncover the values that make you thrive

Focused on self-exploration, you'll dive deep to discover the core values and strengths that can amplify your leadership skills. Learn how to create goals that align with your values but also serve the greater good. You'll walk away with a better understanding of yourself and how you fit into the world.

Global perspective with personalized attention

Enjoy small group discussions with young adults from all around the globe. At iLEAP, we limit the class size to allow true connection to form.

Our faculty get to know you and are dedicated to your success. We understand the challenges non-native English speakers face when taking an English language course. You'll get focused individual attention when you need it.

Skills that last a lifetime

Gain tools that you can use anytime you're feeling unsure. The framework and exercises in this course will help guide you towards the path you were meant to follow. You'll increase your confidence as you gain clarity. Put your new knowledge to work creating your Personal Leadership Plan and head into the future, sure you know the next step to take.

Effective leadership starts with you

Become grounded, gain clarity, and increase your confidence. This course will give you the tools you need to design a future that aligns with your values.
